Resource Allocation Principles, UM

It was recommended by Vice President Ryan Rapp, endorsed by UM System President and MU Chancellor Mun Y. Choi, recommended by the Finance Committee, moved by Curator Steelman, seconded by Curator Hoberock, that the Resource Allocation Principles outlined in the following pages be approved.

Resource Allocation Principles

1. Each campus will retain all resources, such as tuition and fees, gifts, sales and services, that it generates through its own activities. Each campus will retain resources that it generates through cost reductions.
 - A. Each university will set tuition and fees independently to allow market demand and the differential costs of programs to drive price. This allows the individual campus to control price and brand to generate additional fee revenue.
